Hello, dear Representatives of Member Federations,

The present is to officially announce that the WMA Marathon returns after a long wait. For the 2024 version, WMA Council has granted the event to the city of **Bucharest, Romania** and it will take place on date **13 October 2024**. The WMA race will be an important part of the traditional **Bucharest Marathon**.

This is of major importance since it will be the first time Romania hosts a WMA Championship of any kind. The **World Masters Athletics Marathon Championship 2024** will again give our Masters Marathon runners the opportunity to compete against the best from around the world in their age groups.

The announcement for everyone else to see, will be posted on our website asap and will include gratitude words from the Bidding team, pics, and much more.

Best Regards

**Juan Ordóñez**
